The Babes of the Me Decade

A lot of people had a lot of fun in the 1970s. It was an amazing time—in music *(Frampton Comes Alive!)*, sports (the Rumble in the Jungle), movies *(The Godfather, Star Wars)*, partying (Studio 54 and Dead shows galore). It was an especially exciting decade in the sack (and on the floor and in the shower). Arguably, the 1970s saw the pinnacle of the sexual revolution. Whether you're old enough to remember those days or not, we figured you would love to step back into the Me Decade in this one-of-a-kind Playboy Special Edition. We're talking about consequence-free lustful indulgence with the era's hottest Playmates, starting here with Louann Fernald, Miss June 1979. So pour yourself a Harvey Wallbanger as we go tripping back in time.
